

***Delving Into The Data* Ask The Expert webinar**
with Statewide WaterWatch Facilitator,
Justine Holmes

Have you ever wondered what WaterWatch is all about?
Would you like to know more about where your data goes?
Or how to retrieve, use and interpret your data?

Submit your questions and ideas for a chat with our expert !

Justine has recently launched the new-look WaterWatch website and we have some hot tips on how to use it for your teaching and learning.

- 1. Tune into the topic first by exploring the [WaterWatch website](#).**
You don't need to login, just click on 'Is your waterway healthy?'
- 2. Generate questions you'd like raised with Justine – about WaterWatch, her work or using the WaterWatch website.** (these will be asked on your behalf during the pre-recorded interview, with a recording made available later for on-demand viewing)
- 3. Email questions labelled with student/staff name, year level and school name to riverdetectives@nccma.vic.gov.au by **Friday 23rd May**.**
